

CBH Cooperative July Newsletter

July started off with a bang, literally. The Fourth of July marks a time of celebration in all of our cooperative communities, celebrating the liberties afforded to us 235 years ago.

Moisture is providing our agricultural producers abundant hay crops and nice looking grain fields. The summer heat is providing the time for our commercial customers to actively work on planned projects for the summer. June provided your cooperative with record dollar sales for the month as well as a record number of refined fuels gallons for the month of June. Thank you to our customers for ordering the product and to our staff for delivering.

NEW PROGRAM

CBH is proud to present the new logging program in conjunction with Cenex Lubricants on all Indol Premium Hydraulic oils. This program starts July 1, 2011 to help meet the needs of the logging industry. For more information, please call Devin McGrath @ 605-490-1526.

JUNE PROMOTION WINNER

The Cenex convenience store in Sturgis held a Father's Day drawing for a Cabela's fishing rod in June. Matt Karrels was the lucky recipient to win the fishing rod. I understand that there was competition within the family for ownership of the new rod. Keep in mind if you need a Cenex/Cabela's Visa Card, with rewards points, pickup an application at any of our locations. We hope to hear some fishing tales from Matt. Good luck fishing!

CHS, Inc. SCHOLARSHIP WINNER

At CBH we are very proud of our staff and I want to congratulate Kristen Fink in receiving a \$2000 scholarship from CHS Inc. Kristen has been employed at the Sturgis convenience store for a few years and has been a very dedicated employee. Kristen will be a sophomore attending SDSU this fall, pursuing a degree in range management. Congratulations Kristen!

THANK YOU

I would like to take the time to thank an employee that took the special effort to feature his refined fuels unit in the Lead-Deadwood July 4th parade, Mark Weber. Mark and his wife Cyndi, enjoy decorating the truck and throwing candy and blowing the horn of his Kenworth to the youngster's delight. Mark quoted "North Dakota people at the parade said they had never seen such a nice truck. Needless to say, Mark takes pride in his job and his truck and enjoys a good parade. Mark and Cyndi tossed out 21 lbs. of candy to the kids. I'm sure the dentists appreciate it.

SDHS RODEO

CBH Cooperative participated again this year as a primary sponsor for the South Dakota High School Finals Rodeo held in Belle Fourche. I would like to congratulate the Belle Fourche Rodeo Committee and area residents for dedicating the time and effort to coordinate and execute this fantastic event. I would also like to congratulate the area high school students who participated and thrilled the fans from around the state. The area rodeo events are a part of the rich history of western South Dakota. CBH also participated in sponsoring the Miss South Dakota Rodeo Queen saddle at the Belle Fourche PRCA rodeo. The new Jr. Miss South Dakota Rodeo Queen, Kay Marris, was crowned at the same event. Kay is the daughter of Paul and Linda Marris, Whitewood and long time supporters of the cooperative. Congratulations to the Marris' family. Please take the time to read her biography. As you can see, Kay is a very busy young woman.
